The Next Big Thing in eHealth

Challenges in adopting AI in Healthcare and ways to address them – seen by a data scientist

Mr. Felix Revert

Customer Facing Data Scientist, Velocity Business Solutions, HKSAR

We will talk about how AI can help solve some of healthcare's biggest challenges. Learn about how AI in healthcare can assist in the transformation to value-based care. Discuss how the adoption of AI will drive operational efficiencies, improved quality, revenue optimization, and truly transform healthcare.
