

# Asia Pacific Electronic Health Records Conference 2019

In Collaboration With

## Global Digital Health Partnership

16 – 19 Oct 2019 | Hong Kong Science Park

### Trusted Cloud for Healthcare

Mr. Fred Sheu

National Technology Officer, Microsoft, HKSAR

Microsoft has been partnering with organizations across all sectors in Hong Kong for many years, we have witnessed the transformational power of cloud technology in Hong Kong. By adopting the cloud, healthcare institutions can benefit from cloud services to enhance operations and provide better services to their patients. This session will share how Microsoft delivers its cloud services in a trusted, responsible and inclusive manner which is in compliance with local and global healthcare regulations and standards in order to support digital transformation for healthcare industry that serves the global good.
